

Do you suffer from any of the following well known effects of menopause?

- * Fatigue
- * Hot flashes
- * Low libido
- * Insomnia
- * Emotional disturbance
- * Moodiness
- * Headaches
- * Skin crawling
- * Joint aches
- * Painful intercourse

Bioidentical (bio equivalent HRT) uses natural substances equal to those produced by the human ovaries in a form that is familiar to the body to alleviate the effects of menopause.

The dose of BHRT is individually formulated and tailor made for each patient to obtain relief of menopause symptoms.
